

SENIOR CONSULTANT

SUMMARY OF POSITION

We're looking for an ambitious Senior Consultant to help us build foresight capabilities for some of the world's leading organizations.

KEY TASKS & RESPONSIBILITIES

As a Senior Consultant at Rohrbeck Heger, you would need to:

- Support in scoping and delivering projects
- Lead sub-projects and work packages independently
- Design and facilitate workshops
- Prepare presentations and reports
- Develop and mature internal best practices and processes

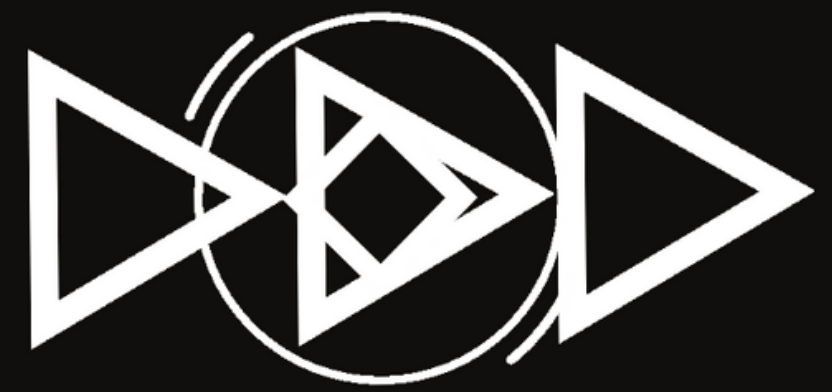

SKILLS & EXPERIENCE

Ideally, you have the proven ability to:

- Design and execute strategy and innovation activities
- Engage in Foresight – horizon scanning, scenario development, etc.
- Understand stakeholder needs and manage their expectations
- Quickly grasp new topics & concepts
- Communicate clearly – short and to the point
- Excellent command of English and German (fluent or native, C2)
- Highly proficient in Powerpoint, Excel, and other relevant programs
- **Advantage:** Experience with major transformation themes such as digitalization, sustainability or servitization and/or the future of specific industries or sectors.
- **Optional:** Experience in Design Thinking and Human Centered Design

You have 2-4 years of experience in at least two of the following domains:

- Strategy / Innovation
- Consulting
- Strategic Foresight
- Market/Technology Intelligence

WHAT WE OFFER

We offer you the opportunity to:

- Define the future – for our clients and us
- Live and work in Berlin, Germany
- Be a part of a multinational team of dedicated foresight professionals
- Enjoy the flexibility and opportunities of a startup-like environment while benefitting from our proven thought leadership in foresight and excellent track record

SUBMISSION & CONTACT

The current opening is for a full-time position. In your application, please answer the following questions:

1. What is the most exciting thing about the future? Why?
2. What sparked your interest in foresight?
3. How does your experience contribute to foresight consulting?

Apply via LinkedIn or email and make sure to upload your responses and CV in one file.

Questions? Contact: Ulrike Hempel
